Local Indent No. 10778.

Your quotation dated 15th June 1950, for the supply of Tarpaulins required during the year 1950-51, received in response to our Enquiry No. 10022.

Gentlemen,

No. S.P.C. 31240. I write to request you to enter order for Tarpaulins described in the undermentioned schedule at the prices noted therein and arrange to make supplies on the indents from the Departmental Officers and also such others as may require the material in such numbers as may be required by them from time to time, all indents being complied with within a fortnight from the date of receipt.

The contract will be deemed to be limited to the number of Tarpaulins to be actually drawn by the Departments.

This contract will be in force up to end of March 1951 and the material will have to be supplied throughout the period at the price accepted herein and no enhancement of the said price for whatsoever reasons can be granted.

Please note that the Tarpaulins to be supplied should be exact to the sizes required by the Departments and should strictly conform to the samples submitted by you and accepted by us in quality as well as texture and should also be supplied with eyelets and lashings, failing which they will be rejected. The Tarpaulins should have markings ,if so required by the Department. All rejected supplies should be replaced by correct materials within a fortnight from the date of rejection. Failure to make supplies in time and in accordance with the approved quality ordered will entail cancellation of the contract and purchases being made from other sources, debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase Committee reserve also the right to levy a penalty of 3 percent of the value of the order as and by way of liquidated damages, in respect of which the default is made.

If on grounds of urgency or for any other reasons materials not according to the approved quality are accepted, you should be prepared to accept in respect of such supplies such price as may be determined by the Stores Purchase Committee to be reasonable, within the limits of the accepted prices.

As in the case of the indents of the Railway Department, Railway Material Certificates will be issued along with the indents, credits should be given to the Department in the bills for such supplies to the extent of the benefits to be derived by the grant of the said certificates, *viz.*, the difference between the public tariff and railway material certificate rates.

You should now arrange to enter into an agreement with the undersigned and deposit an amount of Rs. 100 as security for the due fulfilment of the contract within two weeks from the date of receipt of this order, failing which, the order will be cancelled.

As supplies are made, the bills of cost should be sent in triplicate, duly signed and receipted, to the indenting Officers for arranging payment.

The above indent number should be noted in all correspondence relating to this order.

Please acknowledge receipt of this communication.
